Number Hunt

Safari Sam is on the prowl!

Help Sam find the numbers that are counted by 5's and colour them.

4 5 9 10 13 15
23 25 18 11 30
40 45 46 50
80 7 8
2 72
70

Did you know?

When you count numbers by 5's, they always end with 5 or 0!

Parent tip: Exercises like this tie-in with other math concepts like patterns and multiplication.
